

# MARINE SEATING

## HSM Commercial Seating for Marine Ferries

Designed and built for the robust, water-borne environment, our marine seating also keeps an emphasis on comfort. The Gemini seat is an excellent choice for passenger ferry, sight-seeing and other marine applications. Covered to resist sun, water and flames, the Gemini is a great choice both on the bay and miles offshore.

### Marine Seat Configurations:

- Rigid, Mid-Back Height
- Available as single, double and triple seating
- Belts – No or lap belts
- Testing to meet US Coast Guard requirements
- Armrests - Molded or Upholstered
- Grab Handle - Top Mounted
