EVOS

Activity Seat

EVOS Activity Seat

EVOS ups the Activity Seat game with modern styling, improved safety and more comfort for passengers of all sizes.

EVOS Activity Seat from HSM Transportation

Maximize the number of seats on your bus while adding a sense of style with the EVOS Activity Seat. This comfortable slim line seat was designed to ensure passenger safety while providing the versatility and knee space needed for transporting kids, teenagers and adults. And it meets FMVSS 222 school bus standards with optional 3-point, FMVSS 210 compliant belts for increased passenger safety.

EVOS Activity Seat

Slim line design combines comfort and safety in an attractive profile.
